Thanks for the update. We have FJ Doyle on the draft Regional Contingency plan list in the event of a lapse in appropriation thru March 15, 2019. In the event it is not completed by February 22, 2019, who will cover the site while you are on phone duty February 25- March 4? Send me the name of the person so I can include it in the contingency plan. Thanks – Monica

All:

It will probably be a miracle if we finish this job by 2/15/19. The rainy weather is not our friend. It will likely not be complete until the 2/22/19 (pending weather) but we are pushing to get it done. See photos.
